Announcements

1. The Escort office has moved. It is now located on the first floor of the new main building, right next to the Java Junction. If you come through the West Entrance, it's the very first office on the right.
2. ECH plans on tearing down the old Main building. All occupants/offices are being relocated. To this end, the Auxiliary Library has been closed and the Amenities Cart is temporarily being housed in the Escort Office. We are waiting to find out where the new Pinkies Office will be.

President's Message

I hope all is well with all of you.

We still have not been given a time for us to return to our services. It certainly is better to be safe and healthy. Please know that I check in very day with Beverly & Brenda in the office and with Administration every week.

Please continue to be patient. Feel free to call me if you have any questions or just to connect, I'd love to hear from you."
