A Special President's Message

Where did the Summer go? This year we have been facing some awfully challenging issues. As if COVID wasn't bad enough, mother nature singed us with sizzling temperatures, we are now fighting wild fires, evacuation, smoke, poor air quality, enough already!

Despite it all I want to thank you personally for hanging in there, we can see a light at the end of the tunnel.

Now for some long awaited good news...**the Auxiliary has been given the green light to resume volunteering services at ECH.** Of course, there are new protocols in place; wearing masks, frequent handwashing, and social distancing are now mandatory in the entire hospital. Rest assured that ECH is committed to your health and safety.

Beginning **Monday September 28th** escort offices at both campuses, and the Information Desk along with the OPS Nursing at Los Gatos will be the first services to open. Hours of operation have temporarily been changed to 10 a.m. – 2 p.m. for all services. You will be hearing from your Chairperson soon as we are working on resuming all our Auxiliary services in the near future. Stay tuned.

Once again, THANK YOU for your patience and undying support these past six months.
