Hooks and Needles Spotlight

It's October, which means fall is in the air! We are loving everything from the abundant candy to the pumpkins.

Our Hooks and Needles volunteers are keeping busy too! This cute pumpkin-themed baby hat was made by one of our volunteers, Paula Rodriguez. Another stunning example of the craftsmanship of our talented Hooks and Needles service.

OCTOBER 2021

President's Messages

Judy VanDyck

Thank you all for your steadfast support of the Auxiliary this past year despite all of the challenges we have faced due to Covid. We are currently working on bringing back our Information Desk service in the very near future. If you are interested in working at the Information Desk or adding it as another service, please contact Corky Kelly without delay at 650-962-4968.

Stay healthy!
Judy

Linda Heider

Fall has arrived, and with it comes beautiful color changes, cooler weather, and hopefully rain. The Auxiliary is also changing. In addition to welcoming our new volunteers, as well as some returning volunteers, we will soon begin to service the Information Desk once more. Anyone interested in joining this service, please contact Corky Kelley in the Auxiliary Office. We also look forward to adding some additional services in the future. Your contributions help to make El Camino be the exceptional place it is. We are so proud of all you do for the hospital and the community, so "thank you" seems inadequate—but it is heartfelt.
