Annual Auxiliary Giving Tree

We are virtual but personal! No tree but still gifts!

This year for the Annual Giving Tree, the Auxiliary created an Amazon Wish List to substitute our physical tree! Gift cards purchased from the Wish List will be sent directly to our neighbors at MayView Community Health and distributed to their uninsured and underinsured clients.

Auxiliary Updates Operations

Effective Friday December 4th the Auxiliary has shut down operations. We are abiding by state mandates and El Camino Hospital directives urging nonessential personnel to work from home.

Our volunteers are disappointed and many still want to come in, but our top priority is to keep everyone safe.

Holiday Cheer

Though the company that usually decorates the hospital for us defaulted this year due to COVID, we were still able to get a few Auxiliary Christmas Trees up around El Camino. Thank you to JoAnn Cry and Facilities for saving the day!

President's Message

Judy van Dyck

This year has been like no other! I truly miss seeing you around the hospital, you are essential to us. I do feel your presence as I walk around ECH and see where the volunteers are such an integral part of what makes ECH such an indispensable and vital partner in the community.

December is creeping up and although the trying times continue, I would like to take this opportunity to thank you for your continued support of this organization. We send warm wishes to you and yours. May you find health, happiness and peace during the holiday season and through the coming year, and may we see an end of this dreadful COVID virus.
